**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have a local provider for internet service called lmi.net, because I prefer to keep my business local. They are in the process of adding fiber to my town. If they can no longer compete because you allow AT&T to restrict their access (pricing it higher) to my home, I will be forced to be disconnected.
